**HEADLINE:** Win one of three places at EIT Digital's prestigious Summer School!

Are you the future of digital innovation? Test your skills in the EIT Digital Summer School Challenge and you could win a coveted place on this year's programme.

**EIT Digital** breeds a new generation of European entrepreneurs, where students develop cutting-edge digital technologies knowledge merged with innovation and entrepreneurship skills. This year's EIT Digital Summer School consists of 9 unique programmes running through June – August across 8 European cities.

The EIT Digital Summer School is offering one free place for each of the following 3 programmes

- Future Network Solutions: Business Opportunities and Implications of Internet of Things (August 1 – 13 Stockholm, Sweden)
- Health and Wellbeing: Innovative and entrepreneurial ICT-enabled & -supported approaches to Health and Wellbeing (August 7 – 19 Eindhoven, The Netherlands)
- Smart Spaces: Retail innovations in an omnichannel world and service innovations in smart building (August 8 – 19 Helsinki, Finland)

Don't miss this opportunity to maximise your summer by completing the EIT Digital Summer School Challenge and you could be a part of Europe's leading institute in digital entrepreneurship. Compete Now!
