<b>Faculty of Economics and Business Administration</b>	Cybernetics, Statistics and Economic Informatics	Economic Informatics	A	FT	90	Admission to bachelor's degree study programmes, full-time and distance learning, is organized by fields of study, through a file-based selection process, based on:  - the Baccalaureate exam average; - certification of language proficiency (only for candidates applying to English-taught programmes). This is assessed on a Pass/Fail basis.  <b>The overall admission average is represented by the Baccalaureate exam average (100%).</b>	In case of equal general averages for admission, three criteria will be used to differentiate the applicants, in the following order: - the grade on the Romanian Language and Literature test of the Baccalaureate exam (written test) (Ea); - the grade on the profile-specific written test of the Baccalaureate exam (Ec); - the grade on the choice-based written test of the Baccalaureate exam (Ed).
