FACULTY OF ECONOMICS AND BUSINESS ADMINISTRATION

Faculty	Field of Study	Master's Degree Programme	Form of Study	Maximum Enrolment Capacity	Admission Requirements	Tie-breaking Criteria at Equal Averages
Faculty of Economics and Business Administration	Accounting	Accounting and Financial Reporting in Accordance with International Standards	Full-time	75	Admission competition based on: - The grade obtained in the written examination testing economic knowledge (40%); - The average grade obtained in the bachelor's degree examination (60%); - Certification of language proficiency (only for candidates applying to an English-taught programme). This is evaluated on a PASS/FAIL basis. - The overall admission average is calculated as follows: $M = N_{\text{written test}} \times 0,40 + M_{\text{bachelor}} \times 0,60$ in which: $N_{\text{written test}}$ – represents the grade obtained in the written examination testing economic knowledge; M_{bachelor} – represents the average grade obtained in the bachelor's degree examination	In the case of equal admission averages, candidates will be ranked according to the following criteria, in order: - the average grade of the years of university study; - the grade obtained in the assessment test of fundamental and specialized knowledge within the bachelor's degree examination. If equality persists after applying all these criteria, priority will be given to candidates who graduated from a bachelor's degree programme in the same field as the respective master's degree programme.
		Accounting Management, Expertise and Audit (Drobeta-Turnu Severin)	Full-time	75
