

Would you rather wait for the future. Or build it?

WOULD YOU RATHER WAIT FOR THE FUTURE. OR TAKE THE FIRST STEP FOR IT?

We're Prysmian Group. The world's leading designer and manufacturer of cables, and progress is the driving force of our business.

We support the creation of the energy and telecoms infrastructure that connects people and communities.

Our people don't just react to today, they shape the things to come. This is your chance to be one of them.

"Link the Future" is our exciting internship program.

We're searching for students involved in a technical faculty or in a master plan program keen to pursue a technical career. Would you like to be part of our success story?
