2016 CSR projects and on-going initiatives

The Global Study Awards: A joint venture between the ISIC association, Study Portals & the British Council IELTS, offering up to £90,000 to 9 students (over the course of 2015-2016). The aim is to encourage more students to study abroad, explore new cultures, further intercultural understanding and positively contribute to a global society. 3 Awards have already be given to students from Kenya, Uganda & Germany.

ISIC Annual Roadshows: Each year, local ISIC offices undertake roadshows, promoting cultural and leisure benefits to students across the globe. Held at university campuses, the roadshows provide career support to students and are popular with potential employers.

On-going CSR projects: On a global level the ISIC Association collaborates with UNESCO every 2 years to mark the UNESCO Youth World forum. In 2015, for the second time ISIC held the photo competition “Get Involved! Take Action!”, which focused on the 9th UNESCO Youth World Forum theme of Sustainability.

At the local level- The ISIC issuers around the world are continually supporting social responsibility initiatives through university outreach programmes, sport development projects and local grassroots initiatives, for example, in October 2015 ISIC Ghana sponsored a clean-up program at the University of Ghana.
